Mr. ROBERT C. ODLE, Personnel Administrator, Committee for the Re-Election of the President, 1701 Pennsylvania Avenue, N.W., was interviewed regarding payments made to ALFRED CARLTON BALDWIN III. Mr. ODLE was advised of the identities of PAUL P. MAGALLANES and JOSEPH C. KELLY as Special Agents of the Federal Bureau of Investigation (FBI) and was interviewed in the presence of attorney KENNETH WELLS PARKINSON, who identified himself as attorney for the Committee for the Re-Election of the President in a civil suit. Mr. PARKINSON advised he would be present throughout the entire interview and would take notes of same inasmuch as questions and answers given during the interview may be of value to him in defense of the civil suit against the Committee for the Re-Election of the President. Mr. PARKINSON further emphasized that all employees of the Committee for the Re-Election of the President would cooperate to the fullest extent with any law enforcement agency and stated he would not interfere with any of the questions and answers.

Mr. ODLE furnished the following information:

Mr. BALDWIN was hired by Mr. JAMES W. MC CORD, formerly Security Officer for the Committee for the Re-Election of the President, and that Mr. BALDWIN for a matter of weeks was employed by Mr. MC CORD to serve as a bodyguard for Mrs. MARTHA MITCHELL, wife of former Attorney General JOHN N. MITCHELL. Mr. ODLE explained that inasmuch as Mr. and Mrs. MITCHELL no longer had FBI protection, upon Mr. MITCHELL assuming campaign duties to the Committee for the Re-Election of the President, it was deemed necessary by the Committee that both Mr. MITCHELL and Mrs. MITCHELL should be provided with bodyguards. Mr. ODLE stated that Mr. BALDWIN was one of several security men who were hired by Mr. MC CORD to serve as Mrs. MITCHELL's bodyguard. Mr. BALDWIN's services, however, were not satisfactory for Mrs. MITCHELL and he was subsequently relieved of his duties.

Mr. ROBERT L. HOUSTON, Security Coordinator for the Committee to Re-elect the President, located at 1701 Pennsylvania Avenue, N.W., furnished the following information.

Mr. HOUSTON advised that he has had 23 years of military service with the United States Army and recently retired. Upon retiring, Mr. HOUSTON submitted a resume to the Department of Defense Placement Bureau, and as a result of that resume was contacted by Mr. JAMES W. MC CORD. MC CORD contacted Mr. HOUSTON regarding employment in the security field and set up an interview with HOUSTON. Mr. MC CORD obtained HOUSTON's services for the Republican National Committee with the understanding that HOUSTON would then go to the staff of the Committee to Re-elect the President when it was formed. Mr. HOUSTON began employment with the Republican National Committee in January, 1972, and was then transferred to the Committee to Re-elect the President on February 11, 1972.

Mr. HOUSTON stated that he was in the military police while serving with the Army and that in this role, he received training in the security field.

His job at the Committee to Re-elect the President was Security Coordinator and Mr. MC CORD's job was Security Advisor. As Security Coordinator, Mr. HOUSTON was to issue pins for identification, keys, and passes. Mr. HOUSTON also handled administrative matters and worked directly with the staff as far as liaison was concerned.

Mr. HOUSTON advised that previously McCord Associates had two personnel assigned to the guard force who manned the post on the second floor. McCord Associates people were used for this job due to the fact that it consisted of a 12:00 midnight to 8:00 a.m. shift in an area where 24 hour security was needed and the posts were manned when secretarial personnel were not in the area. The McCord Associates security men were paid hourly wages and since then

have been replaced by people HOUSTON interviewed personally and hired.

Mr. HOUSTON advised that MC CORD seldom called him at home but when he did it was usually concerning the fact that MC CORD would not be available the following day or that MC CORD had jobs for him to do at the committee. Mr. HOUSTON recalled MC CORD calling him on April 16, 1972, and at that time, MC CORD advised him that there would be an anti-war demonstration in the area of 1701 Pennsylvania Avenue, N.W., and that he wanted HOUSTON to place a security man in the lobby so that the security of the offices could be insured in that the man could control access to the building.

When MC CORD came to the committee, he briefed the staff on security measures and held small demonstrations where he pointed out various areas that the staff should be aware of regarding office security.

FEDERAL BUREAU OF INVESTIGATION

Date of transcription July 1, 19721

DAVID J. BRODSKY, 59 Castle Howard Court, Princeton, New Jersey, telephone 609-921-2480, was interviewed at his place of employment where he is Vice-President of Educational Testing Service, Rosedale Road, Princeton, New Jersey.

BRODSKY advised that he does not specifically recall having received a telephone call on March 6, 1972 from E. HOWARD HUNT or anyone from telephone 301-299-7366.

BRODSKY states that he only knows E. HOWARD HUNT as a writer in the Washington D. C. area, and a former student and friend of his (BRODSKY's) father-in-law, ISRAEL J. KAPSTEIN. KAPSTEIN is a retired Professor from Brown University and now resides in Providence, Rhode Island, telephone 401-751-6867. BRODSKY has not seen HUNT since approximately 1968 and has no information concerning HUNT's activities or associates.

According to BRODSKY, Mr. and Mrs. KAPSTEIN was on a trip to Florida during approximately March 6, 1972 and he suggested the only logical explanation for a call from HUNT to BRODSKY is that KAPSTEIN had been visiting with HUNT and they may have called from there.

K5 Two Personal Information forms and two sheets of paper

Specimens received 6/28/72 from FBI, Miami:

One sheet of paper bearing exemplars of typewriting from two typewriters located in office of Barker Associates, Inc., Miami, Florida

K7 - Typewriting from Olympia Electric typewriter

K8 - Typewriting from Underwood Typemaster typewriter

Specimens received 6/29/72 from FBI, Miami:

Q43 Playboy Plaza Hotel registration card, folio #14999, bearing the signature "Ed. Warren"

Q44 Playboy Plaza Hotel registration card, folio #15000, bearing the signature "George F. Leonard"

Request received 6/29/72 from FBI, Washington Field Office:

Request comparison of known handwriting of GEORGE GORDON LIDDY with the questioned handwriting previously submitted in this case

Result of examination:

It was determined that the Carter signatures on specimens Q13, Q28, Q33, and Qc40 were prepared by BERNARD L. BARKER, the writer of specimen K2.

It was determined that the Valdes signatures on specimens Q3, Q23, Q35, and Qc41 were prepared by EUGENIO ROLANDA MARTINEZ CREAGA, the writer of specimen K3.

It was determined that the McCord signature on specimen Q5 was prepared by JAMES W. MC CORD, JR., the writer of specimen K6.

Insufficient comparable writing and/or the presence of divergent characteristics would not permit BERNARD L. BARKER, K2, EUGENIO ROLANDA MARTINEZ CREAGA, K3, VIRGILIO R. GONZALES, K4, FRANK A. FIORINI, K5, or JAMES W. MC CORD, JR., K6, to be identified with other writings on specimens Q1 through Q44.

Insufficient comparable writing for a satisfactory examination and the presence of divergent characteristics, which may or may not be attributable to deliberate distortion of the questioned writings, precluded a determination of whether or not

any of the questioned writings on specimens Q1 through Q44 were prepared by ALFRED C. BALDWIN, III, or GEORGE G. LIDBY, whose known writings are available in the Bureau.

It was determined that the typewriting on specimen Q42 was not prepared on the typewriter K1 or on the typewriter employed in the preparation of specimen K7.

The typewriting on specimen Q42 was found to be of the same size and style as that designated K8. However, the number of characteristics in the typewriting on these documents is too limited to definitely establish whether or not specimens Q42 and K8 were prepared on the same typewriter.

Specimens K2 through K6 are returned herewith. Specimen K1 is being returned to Miami under separate cover. The sheet of paper containing the typewriting exemplars K7 and K8 is being returned to Miami with copies of this report. Photographs of specimens Q1 through Q44, K7, and K8 have been retained. Typewriting exemplars obtained from specimen K1 have also been retained.

A. ROBERT CHERIN, Secretary-Treasurer, Enloe, Stalvey and Associates, Incorporated, 1140 Connecticut Avenue, N.W., was interviewed at his place of employment and provided the following information:

CHERIN advised that in April and early May of 1972, he was in the process of looking for a new job and had contacted the Ex-Agents Society in both Washington, D.C., and New York City, New York. Sometime during the first week in May, 1972, he was telephonically contacted by a JAMES W. MC CORD who advised that he was working for the Committee to Re-elect the President and that he had obtained CHERIN's name from the Ex-Agents Society. MC CORD stated that he had a job opening as a Security Officer and asked CHERIN if he would be interested. CHERIN stated that he might be and they agreed to meet for lunch a few days later.

Two or three days following the telephone conversation, CHERIN met MC CORD in MC CORD's office at the Committee to Re-elect the President, 1701 Pennsylvania Avenue, N.W. They talked briefly and then went out to lunch. At this time, MC CORD stated that the security position involved being in charge of the security for Mrs. MARTHA MITCHELL and included traveling with Mrs. MITCHELL and making the security arrangements as they traveled from place to place. MC CORD advised that the salary for this position would be roughly in the \$17,000 to \$20,000 per year range. MC CORD further stated that the job would only be good through the Presidential election in November, 1972, however, this particular position would be a good start for someone interested in higher Government positions.

The total conversation lasted approximately 45 minutes, after which, MC CORD stated that if CHERIN was interested in the position he would need several additional interviews with some of MC CORD's superiors. At this point, CHERIN stated that he was not interested in the position. The interview was then terminated and CHERIN has not seen MC CORD or heard from him since that time.

CHERIN stated that no other names were mentioned to him by MC CORD.

Mr. ROBERT C. ODLE, JR., Director of Administration for the Committee to Re-Elect the President, located at 1701 Pennsylvania Avenue, N.W., furnished the following information:

Mr. ODLE stated that the Committee to Re-Elect the President had paid for the following items used for security and that these items had been ordered by Mr. JAMES W. MC CORD, their Security Officer. Closed circuit TV, cameras, cables and receivers, which are presently installed, alarms for doors and smoke detectors. Mr. ODLE advised that Mr. MC CORD had never charged the Committee for any radio equipment to date and the only other piece of security equipment they had billed for was what Mr. ODLE described as a machine for detecting out-going Radio Transmissions and he assumed that this machine would monitor any attempt to transmit clandestine radio signals or detect any bugging devices which might be placed in the office.

Mr. ODLE said that Mr. MC CORD had retained three security men which he himself brought in and that they were paid on a stipendiary basis once a month through MC CORD. When MC CORD traveled for the Committee, he was on an expense account basis and Mr. ODLE advised that he never submitted large claims in connection with his travel. Any expenses which MC CORD claimed were reported to the Controller General as per regulations governing such matters and that MC CORD always maintains a reasonable expense account. Mr. ODLE advised by reasonable he meant that MC CORD submitted expense account claims similar to \$1.50 to \$2.00 for breakfast, \$3.00 for lunch, \$10.00 for dinner and the normal charges for hotel rooms and accommodations.

Mr. ROBERT L. HOUSTON, Security Coordinator for the Committee to Re-Elect the President located at 1701 Pennsylvania Avenue, N.W., was displayed the following list of photographs:

SA JAMES F. BLAND, FBI Headquarters, Washington, D. C.
Mr. GEORGE F. LEONARD
SA JAMES D. HILL, FBI, Washington Field Office
SA DOUGLAS J. TUCKER, FBI, Washington Field Office
Mr. ALFRED CARLETON BALDWIN, III
Mr. BERNARD L. BARKER, Metropolitan Police
Department (MPD) Number 261422
Mr. JAMES WALTER MC CORD, JR., MPD Number 261423
Mr. EUGENIO R. MARTINEZ, MPD Number 261421
Mr. FRANK ANTHONY STURGIS, MPD Number 261420

Mr. HOUSTON stated after viewing the above list of photographs that he recognized Mr. JAMES WALTER MC CORD as having been the former security man for the Committee to Re-Elect the President.

Mr. HOUSTON further advised that he recognized a photograph of ALFRED CARLETON BALDWIN, III. He stated that he had seen BALDWIN in the security office on the third floor of 1701 Pennsylvania Avenue, N.W., and that he knew him as "ALFRED C. BALDWIN." He said that BALDWIN was a security man for Mrs. MARTHA MITCHELL. To his knowledge BALDWIN was from New England, Maine or Connecticut.

He last saw BALDWIN in April, 1972, when he saw him three or four times and that BALDWIN had come to see Mr. JAMES MC CORD, he did not know the nature of BALDWIN's visits or his association with MC CORD.

Interviewed on 6/27/72 at Washington, D. C. File # WFO 139-166-570
by SAs JOHN E. DENTON and JOSEPH C. KELLY JED:dam Date dictated 6/27/72

WFO 139-166

Mr. HOUSTON commented that the photograph of BALDWIN must be very recent in that it closely resembles him at the present time.

BALDWIN had stopped in to see MC CORD during the first two weeks of April, 1972 (to the best of his recollection), and this was the first time he saw BALDWIN.

He knew that BALDWIN had accompanied Mrs. MITCHELL to Michigan and New York on an eight to nine day speaking tour. Mrs. MITCHELL had found BALDWIN to be unsuitable in that "he talked too much." Mr. HOUSTON said that on the aforementioned trip the train that Mrs. MITCHELL and BALDWIN were on, struck a man and that BALDWIN could see the man's remains out of the train window and he related a vivid description to Mrs. MITCHELL. After this trip BALDWIN was replaced by another security man for Mrs. MITCHELL.

Mr. HOUSTON furnished the following description of BALDWIN.

Sex:	Male
Race:	White
Height:	5 feet 10 inches
Weight:	180-190 pounds (has "small pot" belly)
Hair:	Brown (worn short)
Eyes:	Brown (he believes)
Former FBI Agent	

When BALDWIN worked for Mrs. MITCHELL he lived at the Roger Smith Hotel.

Mr. HOUSTON advised that he had received a call from the FBI one day regarding BALDWIN's attempt to get through a security line at the Capitol during recent demonstrations. He also knew that BALDWIN had been arrested by Armed Forces Police at Andrews Air Force Base on Armed Forces Day. Mr. HOUSTON said the arrest occurred as a result of BALDWIN's inquiry as to the whereabouts of a demonstration.

JOHN W. DEAN, III, Counsel to the President, advised he did not want Federal Bureau of Investigation Agents making any inquiries or investigations within the confines of the White House or the Executive Office Buildings with White House Staff without his knowledge or permission. Clearance for contacts should be made through his office by SA SAUNDERS.

DEAN further advised he would obtain the following and submit to SA SAUNDERS:

- (1) Identities of all persons who in any way had contact with the material in the office safe of HOWARD HUNT.
- (2) Toll records involving HUNT's office.
- (3) The availability of access lists and appointment clearance cards for HUNT and MC CORD.

As regards item one above, DEAN originally advised SA SAUNDERS (on June 26, 1972) that his assistant FRED FIELDING had searched HUNT's office and subsequently turned over to Federal Bureau of Investigation Agents all material from this search.

On June 27, 1972, SA SAUNDERS was informed by FIELDING that he did not gather this material. That in fact the material was obtained from HUNT's safe which was located on the fifth floor of the Executive Office Building.

Subsequent contact with DEAN verified the statement by FIELDING. DEAN advised the search operation was

handled by his (DEAN's) request. DEAN informed SA SAUNDERS the chain of evidence would be preserved as regards this material. SA SAUNDERS made it clear to DEAN that time was an important factor and to advise the Federal Bureau of Investigation of this information as soon as possible.

Item 2 - DEAN advised SA SAUNDERS that as it was explained to him there are no records maintained on toll calls made through the White House operator or if the person uses the WATTS line (by dialing 80). There should be records available on toll calls placed over White House lines if the person dials 9 for an outside line and then dials direct. Whatever records are available he will turn over to SA SAUNDERS.

Item 3 - DEAN advised he would not permit any outside agency to indiscriminately peruse the cards for clearance appointments to the White House and the Executive Office Building. Anyone allowed to examine these records would be able to determine the identity of visitors to all the offices. DEAN agreed to request from the Executive Protective Service (White House Police) a schedule of appointments to the office of HUNT and an examination of these records to determine if McCORD entered the premises of the White House. The period to be covered, April 1, 1972, to date.

DEAN advised he has no idea where HUNT is presently staying. He will immediately notify SA SAUNDERS if any information comes to his attention regarding the location of HUNT.

Mr. CHARLES F. ROTCHFORD, Area Manager, General Services Administration, room 49, Executive Office Building (EOB), 17th and Pennsylvania Avenue, N.W., Washington, D.C. (WDC), furnished the following information:

On June 19, 1972, Mr. BRUCE KEHRLI requested that they use room 338, EOB and that Mr. ROTCHFORD was to meet Mr. KEHRLI at that office. Upon doing so, Mr. KEHRLI entered this office with another man and they requested that one cardboard box and one two drawer safe file be moved from that office to a storage room on fifth floor of the EOB. Mr. ROTCHFORD made arrangements with General Services Administration (GSA) employees to move the aforementioned to room 522 of the EOB. Upon doing so, the door to room 522 was locked; later that day Mr. KEHRLI requested that the safe that was moved to room 522 be opened. However, the combination to the safe could not be located and it was necessary to employ two men from Safemasters Company, WDC to open the safe. The above mentioned safe was opened by the Safemasters Company on the evening of June 19, 1972, in the presence of a United States Secret Service Agent. Mr. KEHRLI then came to the fifth floor and assisted in taking the items contained within the safe and placing them in two cardboard boxes. At this time Mr. KEHRLI requested that two cardboard boxes be moved from room 502 of the EOB and be taken to his, KEHRLI's office, located in the west wing of the White House. Mr. ROTCHFORD made the arrangements for these two boxes to be transported to KEHRLI's office that evening.

On June 20, 1972, Mr. ROTCHFORD then made arrangements with other GSA personnel for these two boxes to be transported to the office of Mr. JOHN DEAN, Legal Counsel to the President in the EOB.

Miss KATHLEEN ANN CHNOW, was interviewed at room 107 of the Executive Office Building, 17th and Pennsylvania Avenue, N.W., Washington, D.C. (WDC), in the presence of Mr. JOHN DEAN, Legal Counsel to RICHARD M. NIXON, President of the United States and Mr. FRED FIELDING, Mr. DEAN's chief assistant. At that time Miss CHNOW furnished the following information:

She had been employed in a secretarial capacity to Mr. DAVID YOUNG of room 16, the Executive Office Building, WDC from June 1971 until sometime in March, 1972. During her employment in this capacity in October, 1971, Mr. YOUNG requested of her to have a private telephone line installed in a suite of offices located at room 16 so that Mr. E. HOWARD HUNT will be in a position to receive calls on that phone line. This phone was to be billed to Miss CHNOW at her home address, 501 Slaters Lane, Alexandria, Virginia. Miss CHNOW agreed that this phone was installed per the directions of Mr. YOUNG and that Miss CHNOW brought the bills, approximately two, into the office and forwarded those bills to Mr. JOHN CAMPBELL, staff secretary to RICHARD M. NIXON, President of the United States.

Miss CHNOW advised that this phone remained in the office of room 16 for approximately five months, and to the best of her recollection the phone was taken out in the middle of March, 1972. Miss CHNOW advised that Mr. YOUNG's office consisted of four rooms; Mr. YOUNG's office, center office, conference room and a small reception area. The phone which he had installed and billed to her residence was an actual extension on two phones setting on actual desks in the center office and possibly a third extension went into the conference room. Miss CHNOW stated that Mr. HUNT visited YOUNG's office on an average of approximately two times a week and that he did not maintain office space in room 16, but had an office on the third floor of the Executive Office

Building (EOB).

Miss CHNOW advised that she last saw Mr. HUNT in March, 1972, in the EOB. Miss CHNOW believed that Mr. HUNT was assisting Mr. YOUNG in the aftermath of the "Pentagon Papers." Miss CHNOW stated that she was also acquainted with Mr. G. GORDON LIDDY, in that he was the third party that assisted Mr. YOUNG and that he occupied an office in the same general location of YOUNG. The last time Miss CHNOW observed LIDDY was in February, 1972, when he appeared at Mr. YOUNG's office in order to pick up mail addressed to him. Miss CHNOW stated LIDDY left the employ of the White House in December, 1971, for employment with the Committee to Re-elect the President. Miss CHNOW advised that she did not know what duties either Mr. HUNT or Mr. LIDDY performed for the White House but that they had occupied staff positions. She advised that the phone installed for Mr. HUNT in room 16 was essentially a private line for Mr. HUNT and it acted as an answering service.

Miss CHNOW stated that at the present time she is not an employee of the U.S. Government and that in fact was on an extended visit of Europe, and returned to the United States per the request of Mr. DEAN.

Mr. MC CORD left the Security Office of the Committee around 6:16-6:30 p.m., June 16, 1972. MC CORD stated to ANDERSON, who was on duty at the Committee, that he planned to be in town for several hours. MC CORD did not state where he would be, but took a beeper with him. MC CORD had hung around the office later than usual, then when PENNY GLEASON, another security staff member had departed for dinner, MC CORD instructed ANDERSON to take a key from the master box of keys for each desk, file cabinet and office on the second floor. This is the Finance Committee floor. MC CORD stated this Committee had some papers which they had been ordered to destroy and the desks and cabinets would have to be checked to verify this destruction. ANDERSON was to advise JACK ERNST, another security guard who would be on duty June 17, 1972, and have ERNEST deliver these keys to HUGH SLOAN, June 17, 1972, when SLOAN requested them. ANDERSON assembled the keys, and placed them on top of a file cabinet with written instructions for ERNST.

At approximately 10:20 p.m., June 16, 1972, when ANDERSON returned from his security rounds, GLEASON, who was then at the switchboard/reception desk, advised him MC CORD had returned to pick up his raincoat. She stated MC CORD's jacket was stuffed. ANDERSON believes the beeper was turned in at this time, but is not sure.

After the event of the arrest of Mr. MC CORD at the Democratic National Committee (DNC) Office on June 17, 1972 became known, GLEASON advised ANDERSON as follows:

Around two p.m., June 17, 1972, she received a telephone call from Mrs. MC CORD who requested how Mrs. MC CORD could get in touch with an attorney named RAFFERTY (phonetic). GLEASON was unable to locate any contact telephone for such a person in the Committee phone directories and then called Mrs. MC CORD to advise her. It was either during this call or a later call placed by Mrs. MC CORD, that she asked GLEASON to please remove all of Mr. MC CORD's diplomas, awards, and presentations which decorated Mr. MC CORD's office at the Committee.

During the same afternoon, a man came to the Committee Office whom GLEASON believed was (First name unknown) BITTENBENDER (phonetic), an officer with the Metropolitan Police Department, Intelligence Division.

~~CONFIDENTIAL~~

WFO 139-166

He asked GLEASON to telephone Mrs. MC CORD to advise her that Mr. MC CORD was okay and would be in touch with Mrs. MC CORD later.

ANDERSON then stated that he recalled that ROBERT HOUSTON, Mr. MC CORD's Security Supervisor, was always at the Committee Office on Saturday. However, on June 17, 1972, HOUSTON did not work, but he did work on Sunday, June 18, 1972. GLEASON advised ANDERSON she observed HOUSTON going through some file cabinets of MC CORD's and removing some papers. HOUSTON told GLEASON that he had to burn the papers. ANDERSON does know that the combination lock on this file drawer had been removed about two weeks before June 17, 1972, with the combination known only to MC CORD and HOUSTON. Previous to this, almost all the security staff knew how to unlock the file drawer.

ANDERSON believes HOUSTON also removed from the Security Office a battery charger and a Mason Kit which had been in the office on Friday, June 16, 1972.

On one subsequent occasion ANDERSON was in the Security Office while HOUSTON was going through a file cabinet. Another employee, an unrecalled Black truck driver that hangs out in the Security Office said, "Hey BOB, looks like you are on another burn mission." Laughter was the only comment.

On either the 19th or 20th of June, ANDERSON asked HOUSTON what had happened to all the equipment, but not mentioning any type equipment in particular. HOUSTON advised ANDERSON he had taken it out. HOUSTON offered no further explanation.

HARVEY at the Washington Field Office of the Federal Bureau of Investigation (FBI) at 11:00 a.m., July 1, 1972. Miss GLEASON stated that she had conversed with STEVE ANDERSON, another security officer for the Committee for the Re-Election of the President, who had been interviewed by SAs HARVEY and HARVEY W. JAMES on June 30, 1972, and that her purpose in calling was to make arrangements for a confidential interview concerning the burglary of the Democratic National Committee (DNC) which occurred at the Watergate Hotel, Washington, D. Miss GLEASON noted that she had been contacted by SAs HARVEY and JAMES on June 30, 1972, at the Security Office of the Committee for the Re-Election of the President, 1701 Pennsylvania Avenue, N.W., WDC, but that she did not feel comfortable in furnishing information in the presence of the attorney whose presence was required when interviews were conducted on the premises of the aforementioned committee.

Miss GLEASON stated that she was calling from home and that she would drive to downtown WDC where she would again telephone SA HARVEY.

At approximately 12:50 p.m. on July 1, 1972, Miss GLEASON again telephoned SA HARVEY and stated she was calling from a pay telephone at the corner of 13th Street and Pennsylvania Avenue, N.W., WDC. She expressed concern that she might have been followed by unknown persons associated with the aforementioned committee and that she desired that the interview be held farther away from WFO.

owned automobile and transported to the area of 8th and I Streets, N.W., WDC, where the interview began. After over two hours of interviewing, it became apparent that the volume of information being furnished by Miss GLEASON necessitated a more adequate environment and since she indicated that she did not desire to be seen at or near WFO, the remainder of the interview was conducted in Room 300 at the Holiday Inn located at 1900 Connecticut Avenue, N.W., WDC. This room was rented in the name of SA HARVEY.

From the beginning of the interview, Miss GLEASON emphasized that she would surely be fired from her position as Security Officer for the Committee for the Re-Election of the President, hereinafter referred to as the Committee, should her superiors learn of her contact with the FBI. Miss GLEASON stated that she would attempt to furnish all information in her possession which might have any bearing whatsoever on the investigation of the burglary at the DNC. In this regard, she had in her possession her own handwritten notes concerning suspicious conduct by various personnel associated with the Committee.

Miss GLEASON advised as follows:

She has been employed as a Security Officer by the Committee since Easter Monday, 1972. When she began her employment there, Mr. JAMES W. McCORD, Chief of Security for the Committee, informed her and other security officers that he and his group would not have anything to do with the Republican National Convention and that "other people" would handle that. However, as time passed, McCORD and his security officers became more and more involved in the security preparations for the convention until the entire situation was being controlled by McCORD.

Concerning the events immediately preceeding the arrest of McCORD on June 17, 1972, and the events thereafter, Miss GLEASON furnished the following information in chronological order: (It should be noted that her memory of details of certain events was refreshed by discussing some of the more noteworthy and pertinent events, thus the information furnished hereinafter is not necessarily in chronological order.)

On the night of June 16, 1972, she was in the third floor security office of the Committee attempting to straighten

WFO 139-166

things up. Sometime between 9:30 and 10:00 p.m., Mr. McCORD came in the office and jokingly remarked that he had dropped by to make sure they had plenty of work. McCORD's appearance was unusual in that his shirt sleeves were rolled up and he was not well dressed. He was usually dressed very well. McCORD stated that he had come by to pick up his raincoat. Upon leaving, he said words to the effect, "PENNY, I want to thank you for what you've done for our office." Her impression was that McCORD's remark seemed more like a "good-bye" than a "thank you". As he left, she noticed that his pockets were bulging with unknown items. She believed that McCORD returned a "Bellboy" telephone alerting device. She left the office and went home at approximately 10:15 p.m. on that date (June 16, 1972).

Previously, at approximately 4:00 p.m. on June 16, 1972, McCORD wanted to know who was going to work on which shift the next day and instructed security officer JACK ERNST to be on the second floor (the space occupied by the finance committee). McCORD also wanted security officer GEORGE SHANKS to work on the 3rd floor with her (GLEASON). The reason for this was that earlier in the evening of June 16, 1972, McCORD had instructed security officer STEVE ANDERSON to go through the keys for the second floor finance office of the Committee and obtain one key for each file cabinet and desk on that floor. ANDERSON was supposed to give these keys to HUGH SLOAN or GORDON LIDDY on the next morning (June 17, 1972) in order that he (SLOAN or LIDDY) could go through the desks and file cabinets to either locate some papers for destruction or insure that some papers had already been destroyed. Since ANDERSON would not be available on the morning of June 17, 1972, the task of getting the keys to SLOAN or LIDDY was given to the aforementioned ERNST. ANDERSON, however, did get the keys as instructed and left them for ERNST to pick up. In this regard, Miss GLEASON stated that she believes McCORD told ANDERSON to give the keys to LIDDY and that ANDERSON believes that he was to give the keys to SLOAN. In other words, it was not an "either or" situation, but ANDERSON was instructed to give the keys to one specific individual - SLOAN or LIDDY, which one not definitely known. She (Miss GLEASON) has no idea what papers were involved in this situation but, to her knowledge, the desks and file cabinets were not inspected on June 17, 1972.

WFO 139-166

On June 17, 1972, Miss GLEASON arrived at work with JACK ERNST at approximately 7:00 a.m. Someone, identity not recalled, came in and said that the DNC had been burglarized. She attached no significance to this statement at this time but thought it strange that GORDON LIDDY and POWELL MOORE, JOHN MITCHELL's press man, were running around the office together inasmuch as she had never observed them together before. At approximately 9:30 a.m. - 10:00 a.m. on the same date "JEB" MAGRUDER called from an unknown location and told one of the office girls to advise him concerning the UPI wire reports concerning the DNC break-in.

At approximately 11:00 a.m. - noon, on the same date (June 17, 1972), she received a telephone call from Mrs. McCORD who was on the verge of tears. Mrs. McCORD asked, "PENNY, do you know an attorney named RATLISS?" Mrs. McCORD inquired about the name RATLISS, not RAFFERTY. (Miss GLEASON noted that at this point she still did not connect the burglary of the DNC with Mrs. McCORD's call). When she informed Mrs. McCORD that the name was not familiar to her and that ROB ODLE was in the office, Mrs. McCORD stated that she wished to speak with ODLE. Thereupon, Miss GLEASON gave Mrs. McCORD ODLE's direct telephone number and Mrs. McCORD presumably called him.

She (GLEASON) then ran upstairs to the fourth floor to see what was wrong and SYLVIA PANNARITES, ODLE's "secretary at that moment" said "everything's fine, go back downstairs". As she (GLEASON) was leaving ODLE's office, she heard ODLE instruct SYLVIA to get Assistant Attorney General SANTARELLI on the telephone. Miss GLEASON does not believe that ODLE is aware of the fact that she overheard this statement. She noted that SANTARELLI's wife, CONNIE, is employed by the Committee as head of personnel.

Miss GLEASON then went back to her office on the third floor and ODLE came running in shortly thereafter and stated to her, "I want you to stay until midnight because calls will be coming in on the West Coast incident." She was still unaware of McCORD's arrest at this time and had no idea what ODLE meant by "the West Coast incident". She then thought that possibly JOHN MITCHELL or his bodyguard, STEVE KING, had been injured on the West Coast. She then went upstairs and found MARTHA DUNCAN (office manager), ODLE and SYLVIA PANNARITES in "JEB" MAGRUDER's office.

WFO 139-166

She was still unable to find out what had happened and went back to her third floor office. MARTHA DUNCAN then came downstairs to the security office and stated to Miss GLEASON, "Are you shocked? Are you disillusioned." Miss GLEASON was still unaware of McCORD's arrest but answered "yes", even though she (Miss GLEASON) did not know what DUNCAN was talking about.

By this time it was approximately 1:00 p.m. - 2:00 p.m. (June 17, 1972), and Miss GLEASON decided to contact JEAN COLEMAN, secretary to CLIFF MILLER who, according to Miss GLEASON, is one of the two men at the Committee who are close to the President. COLEMAN stated to Miss GLEASON, "PENNY one of the men in the break-in at the DNC was Mr. McCORD. If ROB ODLE found out I told you, he'd fire me."

On the same date (June 17, 1972), ODLE personally asked Miss GLEASON to get ICE HOUSTON (security supervisor under McCORD) on the telephone. ODLE also stated, "Does HOUSTON know?" Thereupon, Miss GLEASON replied in the negative. She then called HOUSTON and told him that ODLE wanted to talk to him. HOUSTON at that time asked Miss GLEASON "Did you call Mr. McCORD about the DNC break-in?" Since ODLE had instructed Miss GLEASON not to give out any information, she lied to HOUSTON and told him "yes" in response to his question.

During the afternoon hours on the same date (June 17, 1972), Miss GLEASON received a telephone call from a man who said he was a friend of Mr. McCORD's and was on the District of Columbia police force. This individual then indicated that he wanted to come over to the Committee. She then told the caller to wait while she checked. At that time, ODLE, LIDDY and POWELL MOORE were in conference. She interrupted the conference and asked LIDDY what she should do about the man on the telephone and LIDDY replied that he did not want the man to come over. Miss GLEASON then told ODLE about the caller and ODLE told her to pay no attention to LIDDY's orders and to have the caller come over. She then told ODLE that since he (ODLE) did not want anybody to know anything, she would tell security officer MIKE MASSE that he (ODLE) wanted him to check downstairs and that she would go to the lobby to meet the individual who had called.

WFO 139-166

Thereupon, she went to the lobby and at approximately 4:00 p.m. (June 17, 1972), one GARY BITTENBENDER, an Intelligence Officer for the Metropolitan Police Department (MPD), WDC arrived. At that time, she realized that on Wednesday (June 14, 1972), she had been introduced to BITTENBENDER by McCORD in the security office of the Committee. McCORD had introduced BITTENBENDER to her as "one of your classmates" from Montgomery County Junior College. Miss GLEASON thought this was a peculiar introduction since she was unable to recall ever having seen BITTENBENDER before.

Continuing with her recollection of BITTENBENDER's activities on the afternoon of June 17, 1972, Miss GLEASON advised that while she and BITTENBENDER were in the lobby, she observed GORDON LIDDY leave the building. She called upstairs to inform ODLE that she was bringing BITTENBENDER upstairs, but ODLE was talking on another telephone.

She noted that she did not require BITTENBENDER to sign in or out on the register and that he was the so-called "mystery man" seen in the Committee.

Concerning the "mystery man", she believes that ODLE was well aware of the identity of this individual and sent the FBI on a chase to locate the individual in order to create busy work and tie up Agents from investigating more substantive aspects of the case.

BITTENBENDER told Miss GLEASON that he had coincidentally been in the MPD cellblock when McCORD was booked in and that he recognized McCORD. BITTENBENDER kept repeating, "It's a very interesting case." He also said, "Maybe things like this won't happen when political rights are given back to policemen."

When they arrived in the security office, BITTENBENDER asked Miss GLEASON for a mug shot that

he had previously given McCORD. Miss GLEASON had no knowledge of this mug shot and, consequently, to her knowledge, BITTENBENDER never retrieved same. ODLE then came down to the security office, told Miss GLEASON to leave, and thereafter talked with BITTENBENDER for approximately 15 minutes. She went to get a Coke and when she came back BITTENBENDER was gone.

Later, on June 17, 1972, she heard from an unrecalled individual that GORDON LIDDY had left his second floor office at 6:00 p.m. never to return.

Miss GLEASON also recalled that during the day of June 17, 1972, Mrs. McCORD called her again and requested that Mr. McCORD's personal pictures and plaques be removed from the walls of the security office. She (GLEASON) removed these items and placed same in a file cabinet. Among the items were a key to the White House to McCORD from the U. S. Secret Service and an award presentation photograph showing RICHARD HELMS presenting an award to McCORD. This photograph bore the notation "With deep appreciation, DICK HELMS." The word deep was underlined.

62

WFO 139-166

Miss GLEASON further advised that she departed the office at approximately 11:30 p.m. Saturday night, June 17, 1972, but that she was emotionally upset over the events of that day and was unable to sleep. At 2:00 a.m., June 18, 1972, she called the office inasmuch as she was concerned that the Students for a Democratic Society (SDS) had apparently tapped a recorded message into the telephone lines of the November Group, an advertising type agency for the Republican National Party, located in New York, New York. She called the office at that hour to determine if their lines had been similarly tapped and to find out what was happening. She spoke with ODLE and he was obviously quite drunk as were the other two people at the office at that time; MARTHA DUNCAN and SYLVIA PANNARITES. ODLE kept pleading with Miss GLEASON, "Penny don't leave us, we need you so much." She informed ODLE that she was not leaving and thereafter MARTHA DUNCAN got on the telephone and said, "We can't talk now, we're waiting for MITCHELL to call." Miss GLEASON stated that ODLE and DUNCAN will lie for each other to protect themselves.

Miss GLEASON recalled that since she was unable to sleep, she went to the Committee, arriving there at approximately 4:20 a.m., June 18, 1972. She learned later in the day from PANNARITES that ODLE, DUNCAN, and PANNARITES had left the office at approximately 4:00 a.m.

BOB HOUSTON arrived at the office at 8:00 a.m., Sunday, June 18, 1972. He told Miss GLEASON that he had read about MC CORD's arrest in the paper. HOUSTON immediately went to the file cabinet in the security office and began removing files. When Miss GLEASON asked HOUSTON what he was doing, he replied, "We're going to remove some of Mr. MC CORD's personal files." HOUSTON also removed some tapes and commented that his (HOUSTON's) voice was on some of them.

One file that was removed from the security office (possibly by HOUSTON, but Miss GLEASON did not observe this), concerned FBI teletypes. By memorandum, date not recalled but which was dated late May or early June, 1972, ROB ODLE advised "JEB" MAGRUDER that it would be nice if arrangements could be made for MC CORD to receive FBI daily teletypes like he (MC CORD) did when he was with CIA. In this same memo, ODLE asked MAGRUDER to talk to KLEINDIENST about the matter. This memo was labeled "Confidential-Sensitive."

Concerning the items removed from the security office by BOB HOUSTON on June 18, 1972, Miss GLEASON continued as follows:

WFO 139-166

HOUSTON proceeded to remove all of MC CORD's writings and he accomplished this without any direction as if the procedure were part of a prearranged plan. One of the tapes removed from the security office, presumably by HOUSTON, concerned SCOTT CAMILLE, head of the Vietnam Veterans Against the WAR (VVAW) and Cuban refugees. The content of this tape was, to her best recollection, as follows: "According to confidential sources they are teaching groups how to make home made bombs and are giving them firearms and artillery to use against the D.C. Police stationed in Miami." The same tape also contained information concerning the security arrangements at the Hotel Doral in Miami, Florida.

This tape had been brought back to WDC by MC CORD when he was on one of his trips to Miami. Miss GLEASON said MC CORD went to Miami on two occasions:

- 1) In approximately mid-May, when he checked out of the Hotel Doral for security arrangements.
- 2) Sometime during the approximate period of June 5-15, 1972. When MC CORD returned to WDC from this trip, he asked Miss GLEASON, "Penny, how would you like to go to Miami?" MC CORD apparently intended to send Miss GLEASON to Miami for the convention. On this same trip, MC CORD met with a Bell and Howell official in Miami concerning something to do with setting up radio communications for the convention. This trip lasted one or one and a half days. It was from this trip that MC CORD brought back to WDC the aforementioned tape concerning SCOTT CAMILLE and the Cuban refugees.

When MC CORD returned from the previously mentioned trip number one, Miss GLEASON typed a rough draft memo concerning security arrangements for the convention. CONNIE SANTARELLI typed the final paper and took same over to the White House during the latter part of May. This memo went into the details concerning an "audio counter sweep" since it had been determined that Senator MC GOVERN and the MITCHELLS would be staying in the same hotel. The memo covered other security matters such as identification cards. It also stated that two Committee security officers were supposed to go to the DNC as observers. Miss GLEASON stated that she believed that the above was

WFO 139-166

significant because all of the above-mentioned security arrangements had been taken care of prior to MC CORD's arrest. Along this same line, she recalled that MC CORD was making special arrangements with WDC Police Chief JERRY WILSON to obtain Special Police Officer (SPO) Commissions for all Committee security officers. These commissions would entitle them to carry firearms.

Concerning the other items missing from the security office and which were presumably taken by HOUSTON, Miss GLEASON advised that also missing was a handwritten memo from MC CORD to BILL TIMMONS, Assistant to the President. This memo covered security procedures for the Miami convention and dealt with such things as security officer contracts, walkie-talkies, and security details in general.

Miss GLEASON also advised that she does not know what disposition HOUSTON made of any of the items he took out of the security office. She noted that the general assumption is that he burned the files but that she does not believe that this is necessarily so. HOUSTON only said he was taking the items "out of the office" and he allegedly took MC CORD's personal files to the office of Mc Cord Associates on June 18, 1972.

She recalled that around the first of June, 1972, HOUSTON told her that MC CORD wanted the combination lock changed on one of the file cabinets in the security office. It was assumed, she believes, by MC CORD and HOUSTON that she had no knowledge of the contents of this file cabinet. She stated that this was not the case, that she knew most of the contents of the cabinet in question, and that to her knowledge there was no mention of the DNC in the files.

On June 19, 1972, HOUSTON removed a desweeper kit from the security office and she noticed that a walkie-talkie type battery charger was also missing from the security office, presumably removed by HOUSTON.

Also, on June 19, 1972, HOUSTON made the statement, "We'll operate as normally as possible and all the people will be paid by RNC."

On June 21 or 22, 1972, HOUSTON told her that their office telephones had been tapped since June 19, 1972. She asked by whom, and he replied he did not know.

10 It was possibly on this same date that ODLE,
11 POWELL MOORE, and HOUSTON came in the security office and
12 asked Miss GLEASON and STEVE ANDERSON to "please leave."
13 The aforementioned three individuals then went into the
14 security office for a closed door conference.
15
16

17 When HOUSTON was interviewed by SA's DANIEL C.
18 MAHAN and JOHN E. DENTON on approximately June 24, 1972,
19 HOUSTON was "less than complete" with his information con-
20 cerning tape recorders. She stated MC CORD had two new
21 tape recorders but that an older, broken recorder was in
22 the office but is now gone. The date and time this re-
23 corder was removed is unknown but it was there on the
24 weekend of June 10-11, 1972.
25
26

27 On June 28, 1972, Miss GLEASON learned that GEORGE
28 DUBROSKY, security officer for the RNC, told STEVE ANDERSON
29 that MC CORD telephoned the RNC for JIM CAUDILL, Security
30 Supervisor for the RNC. She has no knowledge of the text
31 of the call and assumes it was made on the same date
32 (June 28, 1972). MC CORD reportedly, through this call,
33 left a message for the security people to "hang loose"
34 and "be cool."
35
36

37 On June 30, 1972, HOUSTON told her that he had
38 talked with MC CORD but that HOUSTON did not divulge what
39 was discussed nor when he actually talked with MC CORD.
40
41

42 Also, on June 30, 1972, MAURINE DEVLIN, a recep-
43 tionist for the finance committee on the second floor, told
44 Miss GLEASON that FBI agents had displayed some photographs
45 to her and that she had recognized the photograph of BERNARD
46 BARKER as being identical with an individual who had pre-
47 viously been in the finance committee. It is unknown to
48 Miss GLEASON whether DEVLIN admitted this fact to the FBI
49 agents.
50
51

52 Miss GLEASON stated that she believes she observed
53 some green or turquoise surgical gloves in a security office
54 cabinet at one time but she was unable to recall when she
55 observed this or the circumstances surrounding same.
56
57

58 On June 30, 1972, STEVE ANDERSON told her to ad-
59 vise the interviewing agents that on an unrecalled occasion
60 he observed a small camera, brand name possibly
Renault, in GORDON LIDDY's cabinet. At another unrecalled
time, ANDERSON observed a handgun in LIDDY's cabinet.

Miss GLEASON recalled that approximately one week prior to the burglary of the DNC, MC CORD had instructed security officers TOM WISE and STEVE ANDERSON in the operation of sweeping devices" in case the need arises and I'm not here."

Miss GLEASON stated that she has not been able to figure out any connection between MC CORD and the other four individuals who were arrested with him on June 17, 1972, at DNC. She noted that some of the other persons arrested with MC CORD were Cuban, that she has taken many telephone calls from MC CORD, and that she cannot recall ever having heard a caller with a Spanish accent.

On June 30, 1972, JUDY HOBACK, Secretary to MAURICE STANS, told Miss GLEASON that STANS had instructed her not to give any of their records to ROB ODLE because "something might happen to the records" before FBI agents got a chance to examine them. HOBACK is the bookkeeper for the Committee and her superior is HUGH SLOAN.

Miss GLEASON noted that she keeps a filing system for guest registers for the Committee and that a check of her files on June 30, 1972, disclosed that the registers for the days of June 17, 18, and 19, 1972, are missing. She noted the possibility that these may have been turned over to the FBI.

In thinking back concerning the weekend of June 17-18, 1972, Miss GLEASON thought it was peculiar that FRED LARUE, BART PORTER, the MITCHELLS, and possibly "JEB" MAGRUDER, all happened to be at a celebrity party in California on that weekend. Also, DEVAN L. SHUMAY, Director of Public Affairs, was fishing on Chesapeake Bay. She noted that some of these people are usually in WDC on any given weekend.

She noted that if MAGRUDER was in California on the weekend in question, then the above people who were in California on the pertinent weekend knew about the DNC break-in before the Committee people in WDC, because, as previously mentioned herein, MAGRUDER had called the Committee on June 17, 1972, concerning the UPI wire reports relating to the matter.

Miss GLEASON also stated that MC CORD always went where he wanted when he wanted and if they (security personnel) went to the White House and mentioned MC CORD's name, they could "get anything we wanted."

WFO 139-166

On June 15, 1972, Mr. MC CORD instructed security officer TOM WISE to go to the Statler Hilton Hotel and buy some tear gas canisters. WISE returned with a box containing approximately thirty "Sheriff" tear gas canisters, black in color, and in plastic boxes. MC CORD pulled \$30 cash from his pocket and gave same to WISE for purchase of the canisters. During the week of June 26, 1972, Miss GLEASON looked in the box containing the aforementioned canisters and discovered that approximately seven or eight were missing. At the time when MC CORD told WISE to purchase the canisters, he (MC CORD) said that he wanted Miss GLEASON to have some of the canisters for her personal use. Miss GLEASON found this strange at that time inasmuch as she already had a "General MK-VII Chemical Baton Tear Gas Cartridge." She noted that the receipt reflecting WISE's purchase of the aforementioned "Sheriff" canisters is still somewhere in the security office and that there is no list of individuals who were issued the canisters.

On June 17, 1972, while Miss GLEASON was at the Committee, MARTHA DUNCAN told Miss GLEASON, "GORDON LIDDY is going to be the one to fry." Miss GLEASON stated that she did not know what DUNCAN meant by this statement.

On June 19 or 20, 1972, BART PORTER's assistant, ROGER STONE, called the Committee headquarters and asked of PORTER's whereabouts in California, stating that it was a matter of life and death that he, STONE, get a hold of him. Mr. STONE then called again and pleaded with Miss GLEASON for Mr. PORTER's number in California. Miss GLEASON then gave Mr. STONE two numbers where PORTER could be reached in Beverly Hills, California. PORTER then called and asked to be connected to Mr. FRED LARUE who was staying at Mr. MITCHELL's apartment because CLIFF MILLER had some important information that had to be passed on. PORTER did not say what the information was. Mr. STONE then called and asked if Miss GLEASON had been advised by Mr. PORTER of the information. Miss GLEASON replied in the negative and STONE stated "I can't discuss it."

On approximately Wednesday or Thursday, June 21 or 22, 1972, Mr. LARUE called and asked Miss GLEASON to get HUGH SLOAN. Miss GLEASON attempted to gain the whereabouts of Mr. SLOAN but was unsuccessful in her efforts.

WFO 139-166

On June 20, 1972, Miss GLEASON and MARTHA DUNCAN got together at the Roger Smith Hotel and over drinks discussed what had happened at the Committee headquarters. (At this point, Miss GLEASON stated that she, Miss GLEASON, and Miss DUNCAN do not particularly get along with each other as a matter of fact, are hostile toward each other. Therefore, she was surprised when Miss DUNCAN requested that they have a drink together.) While at the Roger Smith Hotel, Miss DUNCAN stated that the "higher echelon" told Miss DUNCAN to spy on Miss GLEASON. When Miss GLEASON asked why, Miss DUNCAN replied, "To see what you know." Miss DUNCAN then asked Miss GLEASON how well she knew Mr. MC CORD. (Here, Miss GLEASON stated that on the Saturday of the break-in, Mr. ODLE and Miss DUNCAN requested Miss GLEASON to go to Mr. MC CORD's house in order that Mrs. MC CORD would have someone with her. Apparently Mr. ODLE and Miss DUNCAN assumed that Miss GLEASON was a close personal friend of the MC CORD family. Miss GLEASON stated that she had no transportation and, therefore, she could not go to the MC CORD house by herself. Upon learning the latter, Mr. ODLE dropped the idea. Subsequent to this, Miss GLEASON learned that some close personal friend of Mrs. MC CORD stayed with her the Saturday of the break-in.) While at the Roger Smith Hotel, Miss DUNCAN asked Miss GLEASON, "Everybody has their price. Do you think Mr. MC CORD was paid off?" Miss DUNCAN further stated that "people upstairs" had told her not to talk about the incident and for her (DUNCAN) to spy on the security office.

On possibly the evening of June 19 or 20, 1972, about 9:00 p.m., Mr. ODLE told Miss GLEASON to keep the switchboard open. Later on, Miss GLEASON went back to the press section of the Committee headquarters to get a Coke and overheard Miss DUNCAN say "Is it in JACK ANDERSON's column?" Miss DUNCAN was talking with Mr. ODLE and with Mr. SCHUMWAY. The following day JACK ANDERSON's column contained an article covering LAWRENCE O'BRIEN's expense voucher. Miss GLEASON stated that Mr. ODLE did not say why he wanted the switchboard open. After reading the following day's "Washington Post", ODLE then told everyone to go home.

On Wednesday, June 21, 1972, the previously mentioned GARY BITTENBENDER called and stated that "Everything's okay and that he's being taken care of."

16

17 On Thursday, June 22, 1972, Mr. ODLE's Assistant,
18 ANDY LAWRENCE, called Miss GLEASON and asked her to go to
19 Mr. ODLE's office. (Here, Miss GLEASON stated that while
20 she was having a drink with Miss DUNCAN at the Roger
21 Smith Hotel, Miss DUNCAN had told Miss GLEASON that a
22 HOWARD HUNT was very big at the White House and that
23 everyone knew him.) When Miss GLEASON arrived at Mr. ODLE's
24 office, Mr. ODLE asked her whether she knew a Mr. HOWARD
25 HUNT. Miss GLEASON replied in the negative and Mr. ODLE
26 asked her "Are you sure?" and Miss GLEASON said that she
27 was. Mr. ODLE then asked Miss GLEASON if she or anyone
28 else in the security office knew what was going on.

Miss GLEASON was the only security officer from the security office of the Committee to be questioned by Mr. ODLE about the incident. Miss GLEASON indicated however that Mr. HOUSTON may have also been questioned but that she was not certain. On June 26, 1972, Miss GLEASON and the staff from the Committee were advised that Committee lawyers would be present at the offices. Sometime during the week of June 26, 1972, someone, identity unrecalled, advised Miss GLEASON, "Don't talk too much because one of the FBI Agents is unfriendly to us. On the date Miss GLEASON was advised of the presence of the attorneys, Mr. HOUSTON told everyone in the security office that no one could talk with anyone from the FBI without a Committee attorney being present. Therefore, Miss GLEASON believed, she could say nothing in front of the attorney when she was contacted on June 30, 1972.

On June 29, 1972, Miss GLEASON was instructed by Mr. ODLE to remove Mr. MC CORD's I.D. data sheet from the Committee records. The I.D. data sheet was described by Miss GLEASON as an 8 by 11 sheet of paper with Mr. MC CORD's personal data thereon after which Mr. MC CORD's picture was placed on a card issued to him by the Committee. This card identified him as a staff member.

On June 29, 1972, at approximately 9:00 p.m., Miss GLEASON was at the Committee when a special delivery package arrived for Mr. GORDON LIDDY. The return address bore the name of the Department of the Treasury, the Office of Law Enforcement, New York City, New York. Miss GLEASON signed for the package and was instructed by JUDY HOBACK to place the package in the mail room inasmuch as Mr. LIDDY had been dismissed.

Miss GLEASON described JUDY HOBACK as being deeply affected by all of the strange things that have been going on in the finance department of the Committee where Mrs. HOBACK is head bookkeeper and with the strange goings on in the Committee as a whole. Miss GLEASON further described HOBACK as a fine up-standing, honest woman who has much integrity and who is ready to burst because of the strange behavior at the Committee. Miss GLEASON will have a luncheon date with Mrs. HOBACK on July 3, 1972, which date was suggested by Mrs. HOBACK and Miss GLEASON is of the belief that Mrs. HOBACK will advise her of what has been going on at the Committee subsequent to the Democratic

WFO 139-166

National Committee Headquarter's burglary. Miss GLEASON is further of the belief that Mrs. HOBACK should be interviewed by the FBI and will suggest to her that she do so without advising Mrs. HOBACK that she has already been interviewed by the FBI.

Sometime after the burglary, date unrecalled, Miss GLEASON was advised by Mr. SCHUMWAY, "Don't worry about MC CORD, he'll be alright. I know what most of the facts are and I'm not at liberty to discuss them. We should have known (laughter) from the Bay of Pigs invasion."

Immediately following the burglary at the DNC, the attitude at the Committee was that the FBI was going to "whitewash" the entire investigation. According to Miss GLEASON, this line of reasoning was based upon the fact that President NIXON appointed Mr. KLEINDIENST as Attorney General and Mr. GRAY as Acting Director of the FBI. Along this same line, MIKE WILSON, driver for Mr. MITCHELL, once commented, "There wouldn't be any problem if the FBI had gotten there (to the scene of the burglary) before the D.C. police. The FBI would have covered it up."

Miss GLEASON reiterated her opinion that Committee officials are sending FBI agents on fishing expeditions to keep them from getting to the truth. She also reiterated that ROB ODLE has not been entirely truthful with FBI agents who have interviewed him. She also said that persons associated with the Committee have discussed the fact that Attorney General KLEINDIENST and Mr. MITCHELL or Mr. GRAY (not certain which two) were at the same hotel in California immediately following the DNC burglary. She noted that these circumstances led some people to believe that the FBI would merely go through the formalities of an investigation while actually covering up the truth.

The attitude presently prevailing at Committee Headquarters is one of serious concern. The feeling now is that the FBI is getting closer. The attitude is now one of panic, especially on the part of Committee officials such as Mr. ODLE. Some people, however, still are not completely convinced that the FBI is not merely covering up the investigation.

On July 2, 1972, Miss GLEASON telephonically advised SA PAUL P. MAGALLANES of the following:

While being interviewed by SA MAGALLANES and HARVEY on July 1, 1972, she forgot to mention that while she was at the Roger Smith Hotel on June 20, 1972, with MARTHA DUNCAN, DUNCAN had advised Miss GLEASON that Mrs. MC CORD had told Mr. ODLE, "Well it looks your project has failed." MARTHA DUNCAN then stated to Miss GLEASON, "I wonder why she would say something like that?" DUNCAN described Mrs. MC CORD's tone of voice as being calm and relaxed. DUNCAN did not indicate to Miss GLEASON whether she, DUNCAN, had listened to Mrs. MC CORD on Mr. ODLE's telephone extension, or whether Mr. ODLE related to DUNCAN what Mrs. MC CORD had told him. Miss GLEASON thought that it was strange that DUNCAN described Mrs. MC CORD's tone of voice as being calm and relaxed since Miss GLEASON had talked with Mrs. MC CORD on the same date, June 17, 1972, on at least two occasions and Mrs. MC CORD was frantic, excited, frightened and very upset because her husband had been arrested. The above quote attributed to Mrs. MC CORD occurred on June 17, 1972, the same day of the burglary of the Democratic National Committee Headquarters.

Miss GLEASON was assured by SAs MAGALLANES and HARVEY that the FBI is not covering up the Democratic National Committee burglary investigation and that the FBI thoroughly investigates each and every case which comes to its attention. She was further advised that all Special Agents are thoroughly investigated prior to their appointments as Special Agents of the FBI and that there has not been one incident of the FBI "covering up" an investigation.

ROBERT HOUSTON, Security Supervisor, Committee for the Re-Election of the President, 1701 Pennsylvania Avenue, N.W., was interviewed in the presence of Attorney H. DONALD KISTLER and advised:

He presently resides with his family at 968 Fall Circle Way, Gambrill, Maryland, telephone 674-8829. He has been employed in his present position since February 11, 1972. Previous to this he was at the Republican National Headquarters in security, having obtained this job through the U. S. Defense Department (DOD) locator service. Mr. HOUSTON retired from the U. S. Army in 1971 after 28 years of service. He served with the Military Police during this period. Upon retirement, he filed a resume with the Defense Department locator service. He was contacted by someone at Republican National Headquarters, went for an interview, and was hired. Later he met Mr. JAMES MC CORD and was then shifted to the Committee for the Re-Election of the President to work for Mr. MC CORD.

Mr. HOUSTON viewed the following photographs:

JAMES W. MC CORD
BERNARD L. BARKER
EUGENIO R. MARTINEZ
DAVID R. YOUNG
ANGELO F. FIORINI

ALEXANDER BUTTERFIELD
VIRGILIO GONZALES
ALFRED C. BALDWIN
EVERETTE H. HUNT, JR.
CHARLES W. COLSON

He identified the photographs displayed of MC CORD, and of ALFRED C. BALDWIN as persons known to him.

He recalled meeting BALDWIN in the Security Office of the Committee for the Re-Election of the President when BALDWIN came for an interview with Mr. MC CORD, probably late April, 1972. BALDWIN was being interviewed as a security guard for Mrs. JOHN MITCHELL. He was evidently hired by Mr. MC CORD because BALDWIN went on a 3 or 4 day trip with Mrs. MITCHELL to Detroit, Michigan, then to New York. BALDWIN just did not work out in this assignment.

because he talked too much so he was assigned to conduct surveillance work for MC CORD when there were area demonstrations. BALDWIN would attend these demonstrations and report to MC CORD if there was any possibility the demonstrators might come to the vicinity of 1701 Pennsylvania Avenue, N.W.

On 2 occasions he received telephone calls from law enforcement officers attempting to ascertain BALDWIN's association with the Committee for the Re-Election of the President.

One such call came from a person who identified himself as an FBI agent who called when there was a demonstration at the U. S. Capitol Building which BALDWIN attended.

The second call came from the Military Police, Andrews Air Force Base where BALDWIN had also gone to cover a demonstration.

Both times the caller was advised by HOUSTON BALDWIN was employed on the Security Staff of Mr. MC CORD who was in charge of the security of the Committee.

DAVID REGINALD YOUNG, Special Staff Assistant, National Security Council, Room 16, Executive Office Building, was interviewed at the office of JOHN DEAN, Counsel to the President, and in the presence of Mr. DEAN and his Assistant, FRED FIELDING, and provided the following information:

In January, 1971, as a result of the disclosure of the 'Pentagon Papers', the need arose for someone to classify and declassify Government documents. At that time he was an Administrative Assistant to Dr. KISSINGER on the National Security Council and was selected for the job. His new position involved the classification and declassification of Government documents with particular emphasis on coordinating efforts of different Government agencies in locating the sources of unauthorized disclosures of confidential information commonly known as leaks in those agencies.

Hired as Assistants in this project were GEORGE GORDON LIDDY and EVERETTE HOWARD HUNT. LIDDY came to his office from the Department of the Treasury on the recommendation of BUD KROGH at the White House in the Summer of 1971. LIDDY had been working with KROGH on the international drug problem and KROGH felt LIDDY's expertise in the international area along with his excellent legal reputation would be of assistance to YOUNG. While working with YOUNG, one of LIDDY's responsibilities was to maintain close liaison with the Justice Department in connection with the project. He was assigned an office and a secretary in connection with his duties.

HUNT came to his office in 1971 on the recommendation of CHARLES W. COLSON at the White House. COLSON felt HUNT's intelligence background and Central Intelligence Agency (CIA) contacts would be of great help on the project. HUNT was particularly valuable in evaluating cables from the pertinent

performed to determine if the "Pentagon Papers" accurately represented the facts and circumstances at that time in history. Also, the standards for classification of Government documents were being re-evaluated at that time. HUNT dealt with CIA on an informal level during this period while he (YOUNG) dealt with the Director, Mr. HELMS, and the Deputy Director, General WALTERS. C

While working on this project, HUNT asked him to have a telephone installed in the office which would not go through or be billed to the White House switchboard. HUNT explained at that time he needed a private line for operatives and CIA contacts to reach him directly without them knowing this phone was in the White House. Secondly, he needed a phone where messages could be received by a secretary which he did not have in his third floor office. It would be important for someone to take messages because he was in the office so seldom. C

Mr. YOUNG told his secretary, KATHLEEN CHENOW, to set up such a phone, which she did. This phone was billed to an Alexandria, Virginia, location, but rang on Miss CHENOW's desk as well as on an unused desk set aside for an additional secretary. YOUNG advised he paid very little attention to this phone, never used it and considered it strictly a message phone for HUNT. HUNT was in the office twice a week at the most and sometimes not for several weeks at a time. As far as he was concerned, HUNT's former associates at CIA and individuals furnishing information in connection with the international drug problems were the only ones who knew to call him on this line. C

In March, 1972, HUNT left his office when his part of the project came to an end. The whole project had been winding down for some time and HUNT's particular role was no longer necessary. He was aware HUNT was employed by the R. Mullen Company, a public relations firm, and he last saw HUNT last Christmas or early January or February of this year. When HUNT left he still had several classified documents in his

WFO 139-166

possession. These were documents he was working on at the time and presumably were left in HUNT's file safe or file drawer in HUNT's office on the third floor. However, he was not sure exactly where they were located. It did not surprise him that these documents were recently found in HUNT's file safe but he was not aware of the other contents in the safe as related in the newspaper.

In December, 1971, GEORGE GORDON LIDDY left after informing YOUNG he had been offered a position at the Committee to Re-Elect the President. His leaving was considered a promotion and he has seen LIDDY only once or twice just to say hello since LIDDY left to go to the Committee.

He did not know JAMES MC CORD nor did he recognize the names or photographs of the other individuals involved in the Democratic National Committee (DNC) burglary as appearing in the newspaper. He knew BOB ODLE at the Committee to Re-Elect the President mainly when ODLE worked for HERB KLEIN at the White House. Through KLEIN he also came to know JEB MAGRUDER, also at the Committee, and occasionally plays tennis with him.

When LIDDY and HUNT were working out of his office they worked with him rather than for him. He (YOUNG) had overall responsibility for the classification-declassification project and they furnished him the results of their investigation, but he did not exercise authority as such over them. They never provided any documents other than official reports, write-ups of oral conversations with individuals in various agencies.

There was no money available either to LIDDY, HUNT or himself to pay people for information of value in locating leaks. All information obtained was provided voluntarily by individuals interviewed and no means other than this was used to locate the persons responsible for the leaks. He had no idea how HUNT became involved with the individuals responsible for the burglary of the DNC and he had no idea where the money to

Mr. ROBERT LEE HOUSTON, Security Coordinator, Committee to Re-Elect the President (CRP), 1701 Pennsylvania Avenue, N.W., was contacted in his office (Room 372), where he was advised of the identities of the interviewing agents and the nature of the inquiry.

HOUSTON, was advised by SA MINDERMAN that it was his (HOUSTON's) prerogative to have an attorney present during the interview, at which time HOUSTON advised he did not feel that an attorney was necessary, but he was under orders by his superior, Mr. ROBERT ODLE, to have an attorney present at all interviews. For this reason, HOUSTON stated he felt an attorney should be present so as to comply with Mr. ODLE's wishes.

Present for the duration of the interview was H. DONALD KISTLER, Attorney for the firm of Jackson, Gray and Laskey, 1828 L Street, N.W., Washington, D.C. (WDC).

HOUSTON advised that he first met JAMES W. MC CORD in January of 1972, when MC CORD telephonically contacted him concerning possible employment with the Republican National Committee. MC CORD got his name through the Department of Defense Referral Service, as he had just retired after spending 28 years in the United States Army, as a Military Policeman.

He was subsequently hired by MC CORD, and began working in the aforementioned capacity in February, 1972. His duties entailed general security of the building at 1701 Pennsylvania Avenue, assignment of security guards and background checks regarding people employed by the CRP.

HOUSTON stated he traveled only on one occasion to New York City, New York, to deliver a package to an unrecalled office located at 225 Broadway. This trip was in early May,

1972, and this was the only instance he traveled outside of the Washington area on CRP business.

HOUSTON emphatically stated that he never worked for Mc Cord Associates, nor had anything to do with JAMES MC CORD, other than work related matters at CRP. In early May, 1972, HOUSTON spent five consecutive mornings in the offices of Mc Cord Associates, Rockville, Maryland, where an Industrial Security Seminar was taking place. He stated he could not recall who taught the course, but believed some of the speakers were from Montgomery College. Attending these sessions were six other people whose names he cannot recall, except for Miss PENNY GLEASON, who is on the security staff at the CRP.

HOUSTON stated he first learned of the break-in at the Democratic National Committee (DNC) and the arrest of MC CORD on May 18, 1972, at approximately 7:00 a.m. from Miss GLEASON when he came to work. At this point, HOUSTON reflected for a minute and stated "Well, Mr. ODLE called me Saturday afternoon and asked me if I heard about the break-in at DNC". He stated he told ODLE no, and that DOLE never mentioned MC CORD's arrest. HOUSTON stated he stayed at the office until about 3:00 p.m., when he went home. He was asked if he took anything from the office that day, at which time he replied "no".

HOUSTON then related that there was only one secure filing cabinet in the office and he (HOUSTON), was the only one who knew the combination. MC CORD did keep some files in the cabinet, but if he (MC CORD) wanted them, he had to ask HOUSTON for them. The files MC CORD had were mainly security background investigations, which MC CORD did himself on various people, but HOUSTON had no knowledge of their contents.

HOUSTON was again asked if he had removed any items from the office on May 18, 1972, at which time he advised that

12 he did remove some cassette type tapes, a tape recorder and
13 some personnel files, which he was working on at home. He
14 further stated he also took a electronic sweeper, which was
15 used to detect "bugs". He stated that all of the aforementioned
16 items he returned to the office since May 18th and that the
17 tapes were blank when he removed them and they still are.
18

19
20 The only people HOUSTON knew from Mc Cord Associates
21 were BILL SHEA and LOU RUSSELL, who worked at the Committee on
22 a part-time basis. He does not know what their duties were or
23 who paid them, except he felt sure they were not paid by the CRP.
24

25
26 HOUSTON stated that MC CORD usually transported any
27 electrical equipment in a black vinyl suitcase. The suitcase
28 contained special padding on the inside to protect the equip-
29 ment and as far as he can recall no one else ever used the
30 suitcase except MC CORD.
31

32
33 HOUSTON was asked if he knew an individual by the name
34 of GARY BITTENBENDER. He stated he has heard the name, but knows
35 absolutely nothing about him. MC CORD mentioned the name to him
36 on several occasions and believes he may be a Metropolitan Police
37 officer, but is not sure. HOUSTON advised he cannot recall what
38 he and MC CORD were discussing when BITTENBENDER's name came up.
39

40
41 He has not seen or heard from either MC CORD or his
42 wife since he was arrested and can think of nothing that may be
43 of assistance in this investigation. HOUSTON stated that he
44 did not want to be contacted again by the FBI concerning this
45 matter at which point he requested the interview to be termi-
46 nated.

(WDC), was interviewed in the office of JOHN DEAN, Counsel to the President, and in the presence of Mr. DEAN and his Assistant, FRED FIELDING. He provided the following information:

Approximately 6:00 p.m., June 19, 1972, he received a call at home from a Mr. ROCHFORD at the White House, stating he had a safe at the White House that had to be opened. He was told to be at the White House at 7:30 p.m. that evening. He then called EDDIE WAYNE RICHARDSON, also employed as a Safe Technician at the Safe Master Company, to help him with the job.

They met at the Safe Master Company and drove to the White House, arriving at 7:30 p.m. They were cleared and immediately went to Room 522, accompanied by Mr. ROCHFORD and a United States Secret Service Agent, name unknown. In this room was a two-drawer file safe with a combination lock. They drilled the lock on the safe for 20 minutes until both drawers could be opened, but they did not open either drawer or see any of the contents. They then picked up their equipment and left.

On July 3, 1972, CHARLES F. ROTCHFORD, Area Manager, White House Area, General Services Administration (GSA), advised SA GEORGE E. SAUNDERS he was unable to locate the movers who transported the safe and box of material from HUNT's office, Room 338, to Room 522. He stated he has several moving crews who do nothing but move office equipment from one office to another because of changes in staff personnel. Instant moving assignment involved one two-drawer safe and one box of office supplies. The movers would have moved this material in less than 15 minutes. ROTCHFORD believes this was such a minor job in the course of the day, that the movers evidently were unable to recall this move. ROTCHFORD questioned both the day and night moving crews with negative results.

JAMES GEORGE BAKER, Supervisory Security Specialist, Protective Security Division, United States Secret Service, Room 23, Executive Office Building, was interviewed in the office of JOHN DEAN, Counsel to the President, and in the presence of Mr. DEAN and his Assistant, FRED FIELDING. He provided the following information:

On Monday, June 19, 1972, he received a call from his supervisor, Mr. MURPHY, informing him that Mr. ROCHFORD of General Services Administration (GSA) at the White House had arranged for Safe Master representatives to come to the Executive Office Building to open a safe. It is standard operating procedure for him to accompany these people and decide if the contents of the opened safe require storage.

At 7:30 p.m. that evening, Mr. ROCHFORD himself called to advise him that the Safe Master representatives were there. He met ROCHFORD and the two safe men, and they all proceeded to Room 522. He explained Room 522 is the storage room and the safe to be opened was stored there.

The four of them entered the room and the two safe men drilled the safe open in approximately 20 minutes. Before opening the safe drawers, the two safe men were excused. He then opened the top drawer to determine if any classified documents were contained therein and the first envelope he picked up was stamped "Eyes Only".

He immediately closed the drawer and Mr. ROCHFORD called Mr. KERRLI. Mr. ROCHFORD determined that Mr. KERRLI would take responsibility for the contents and then called for cardboard boxes to be brought to Room 522 for the contents in the safe. He and Mr. ROCHFORD waited approximately 15 minutes

SA MAHAN advised Mrs. HUNT that she was being contacted concerning information she may possess concerning a burglary at the offices of the Democratic National Committee Headquarters, Watergate Office Building, 2650 Virginia Avenue, N.W., Washington, D. C., which occurred on June 17, 1972.

Mrs. HUNT stated that she does not feel that she possesses any information which is directly related to the burglary at the Democratic National Headquarters and that the only information she possesses concerning this burglary is what she has read in the local newspapers. Mrs. HUNT noted that she has read considerable information to the effect that her husband, EVERETTE HOWARD HUNT, JR., may have been associated with the individuals who were arrested for the burglary of the Democratic National Committee Headquarters (DNCH) but stated that she does not feel that her husband is involved with these men.

SA MAHAN displayed a series of two black and white photographs of unknown white males and a series of letters which were signed "ECB" and JUAN CARLOS.

SA MAHAN then displayed to Mrs. HUNT a .25 caliber colt automatic pistol serial number 321803 and asked if she was familiar with the weapon.

Mrs. HUNT stated that this is her personal weapon and stated that she is surprised that it is in the hands of the FBI as she thought that the weapon was in a closet at her residence at 11120 River Road, Potomac, Maryland. Mrs.

Mrs. HUNT stated that at the present time she believes her husband to be employed at the White House as a consultant, at the Robert R. Mrs. HUNT stated that in the Spring of 1972, her husband made two trips to Miami, Florida, and one trip to Los Angeles, California, for what she believed to be negotiations concerning the change of the Republican National Convention from San Diego, California, to Miami, Florida.

Mrs. HUNT stated that she last saw her husband on May 31, 1972, when she departed with her daughter for a vacation tour of Europe. Mrs. HUNT stated that she last spoke to her husband on June 21, 1972, by phone in London, England, and he advised her that there was a "problem" here in Washington and that he was going to go to New York, New York, to do television commercials. Mrs. HUNT stated that her husband claimed that there was considerable harassment from reporters and that he was going to New York, New York, to do the television commercial and then go on a vacation for a few days to lure the reporters away from their residence.

JOHN N. MITCHELL, former Attorney General, United States, was interviewed at the law offices of Mudge, Rose, Guthrie and Alexander, 1701 Pennsylvania Avenue, N.W., Washington, D.C. (WDC), and furnished the following information:

At the outset of the interview Mr. MITCHELL stated that he would answer all of the interviewing Agents questions in a frank and candid manner.

Mr. MITCHELL advised that he became associated with the Committee to Re-Elect the President on March 1, 1972, after submitting his resignation as the Attorney General of the United States. The first Mr. MITCHELL heard of the break-in at the Watergate Apartments and in particular the Democratic National Committee Headquarters was on Saturday, June 18, 1972, when he was advised of such by Mr. ROBERT MARDIGAN in Los Angeles, California, as himself, MARDIGAN, JEB MAGRUDER and FRED LA RUE where in California, at a political meeting from June 16, 1972, through June 20, 1972. Mr. MITCHELL advised that he believed Mr. MARDIGAN received the initial information about this particular break-in from the radio media and that either Mr. MARDIGAN or Mr. MAGRUDER contacted the Committee to Re-Elect the President in WDC to ascertain the extent of Mr. JAMES W. MC CORD's participation.

Mr. MITCHELL stated that he met Mr. MC CORD only on one occasion in early March, 1972, at which time MC CORD advised him of the security aspects at the office building located at 1701 Pennsylvania Avenue, N.W. Mr. MITCHELL denies any knowledge of E. HOWARD HUNT but added he has known Mr. GEORGE GORDON LIDDY since LIDDY's association with the U.S. Department of Treasury, WDC. Mr. LIDDY then went to work at the White House and eventually came over to work on the finance committee of the Committee to Re-Elect the President. However, Mr. MITCHELL pointed out he knows Mr. LIDDY on a professional basis only and in particular Mr. LIDDY's work regarding gun control legislation. Mr. MITCHELL stated he

is acquainted with Mr. DAVID YOUNG. He knew Mr. YOUNG as an Aide to Dr. KISSINGER and his position as Domestic Counsel at the White House.

Mr. MITCHELL further stated that approximately three to four weeks ago he had a high level meeting in his office regarding certain aspects of Senator MC GOVERN's campaign and that the following day much of this discussion appeared in a Washington daily newspaper. In this regard Mr. MITCHELL stated that there were also certain documents missing from the Committee Office at that time. Upon reading the newspaper accounts of what transpired at that meeting he raised "hell" with MAGRUDER and CLIFF MILLER of the committee about the leak of such information. It was Mr. MITCHELL's opinion that this matter generated some concern within the committee and felt that Mr. MC CORD would assume responsibility for the leak of this information. Mr. MITCHELL stated that attending the aforementioned meeting there were approximately twenty senior staff people including ROBERT ODLE. Mr. MITCHELL stated that the committee is conducting an investigation regarding the aforementioned incident as well as other minor incidents but with no results.

Mr. MITCHELL advised that the Committee to Re-Elect the President has conducted an independent investigation at the committee regarding the alleged break-in of the Democratic National Committee Headquarters due to Mr. MC CORD's alleged involvement and again with no results.

Mr. MITCHELL stated that he has nothing to do with the financial aspect on the Committee to Re-Elect the President and that aspect is handled completely by Mr. MAURICE STANS, former Secretary of Commerce. In describing the recent change in the election law Mr. MITCHELL advised prior to April 7, 1972, political parties were only required to show the source of received funds but were not required to show how those funds were spent, and after April 7, 1972, the most significant change in these laws was that the political parties had to account for all expenditures.

Mr. MITCHELL advised that he has never met ALFRED BALDWIN but that he has heard of him by name as BALDWIN was apparently employed as a body guard for his wife and accompanied her on a recent trip. Mr. MITCHELL stated that his wife was dissatisfied with BALDWIN and lodged several complaints about him with Mr. MITCHELL.

WFO 139-166

Mr. MITCHELL stated that he believed it was common practice for political parties to infiltrate one another by attempting to place their own people in positions of the opposition party in order to monitor the activities of that party. On Senator MC GOVERN's recent campaign in the state of California an individual was sent to that state attempting to monitor Mr. MC GOVERN's campaign methods such as the use of different forms of media.

Mr. MITCHELL stated that he had no knowledge of the break-in of the Democratic National Committee Headquarters other than what he has read in newspaper accounts of that incident.

Mr. MITCHELL concluded the interview with the comment that he hoped for the completion of this investigation so that "we could get some work done".

Specimen received from SAC, Miami 7/3/72

- Q50 Registration card of the Fontainebleau Hotel dated 1/21

Results of the examination:

It was determined that the Frank Carter signatures
on specimens Q13, Q28, Q33, and Qc40 were prepared by
BERNARD L. BARKER, the writer of specimens K2 and K9.

It was determined that the Valdes signatures on specimens Q3, Q23, Q35, and Qc41 were prepared by EUGENIO ROLANDO MARTINEZ Y CREAGA, the writer of specimens K3 and K11.

Because of insufficient comparable writing or because of the presence of divergent characteristics in the known and questioned writings, other writings on specimens Q1 through Q50 were not identified with known writings of BERNARD L. BARKER, VIRGIL R. GONZALES, EUGENIO ROLANDO MARTINEZ Y CREAGA, JAMES WALTER MC CORD, JR., FRANK ANTHONY FIORINI, EVERETTE HOWARD HUNT, JR., or GEORGE GORDON LIDDY.

Remarks:

Specimen Q50 will be treated for latent fingerprints. The result of that examination and the disposition of this document will be furnished by a separate report.

Although a definite conclusion was not reached because of the highly distorted nature of the writings involved, significant characteristics noted as the result of such examination as could be made strongly suggest that the Raul Godoy signatures on specimens Q4, Q27, Q34, and Q39 were probably prepared by VIRGIL R. GONZALES, the writer of specimens K4 and K10.

BOUMAN visited Washington, D.C. for an unknown purpose and SILVERMAN met him once in the tap room at the Hay-Adams Hotel for a drink. BOUMAN was in the company of a white male but SILVERMAN stated he was completely unable to furnish any descriptive data concerning this individual and would be unable to identify a photograph.

W. PEYTON GEORGE, employed in the Congressional Liaison Office for the Secretary of Agriculture, Washington, D.C., (WDC), was interviewed in a Bureau vehicle in the parking lot at the United States Capitol.

Mr. GEORGE advised that a call was received at his home on April 26, 1972, from JAMES McCORD, who requested that GEORGE contact him regarding employment. GEORGE telephonically contacted McCORD on April 27, 1972, and was advised by McCORD, that he had read GEORGE's resume at the Society for Ex-Agents in New York City and was interested in hiring him for a security position. GEORGE informed him that the monthly meeting for ex-agents in the WDC area was being held at HOGATE's Restaurant on that same date and the meeting would be an ideal place for further discussion. However, McCORD did not show up at the meeting.

GEORGE contacted McCORD at his office at The Committee to Re-Elect the President, 1701 Pennsylvania Avenue, N.W. McCORD informed GEORGE that he felt GEORGE was qualified to assume the position as Director of Security for a detail to guard Mrs. MARTHA MITCHELL. Mrs. MITCHELL had expressed desire to have former FBI agents between age 30-40 years on the detail. McCORD offered a salary of \$20,000 per year. GEORGE informed McCORD that he was well satisfied in his present position and had eventual plans of practicing law in WDC. Therefore, the only conditions under which he would consider employment would be if he obtained a salary of approximately \$30,000 per year and a position with the law firm, Mitchell, Mudge, Rose and Alexander. McCORD advised that he would arrange a meeting with FRED LARUE.

On April 29, 1972, McCORD, LARUE, and GEORGE met and discussed details of the proposed position for GEORGE.

11 LARUE advised that GEORGE's salary request was not out of
12 line, but LARUE would have to speak to JOHN MITCHELL
13 concerning the position with Mr. MITCHELL's law firm.
14

15 On May 1, 1972, GEORGE was recontacted by McCORD
16 and was informed that LARUE had contacted Mr. MITCHELL who
17 was leary of the financial arrangements that would arise
18 since GEORGE's salary would probably have to be listed as
19 campaign contributions. McCORD stated he would secure jobs
20 for GEORGE in McCORD's security consulting firm in order to
21 bolster GEORGE's salary to the \$30,000 figure. GEORGE declined
22 the offer stating he was happy in his present position, would
23 not consider the job. He suggested former FBI Agents ROBERT
24 McKENNA and CHUCK ORSI for the job.
25

26 On June 16, 1972, GEORGE and his family were sight-
27 seeing in WDC, and on the spur of the moment, decided to attend
28 the 8:30 P.M. concert at the Waterfront Amphitheater. On the
29 way to the concert at approximately 8:00 to 8:15 P.M., he
30 stopped at the Howard Johnson's Motor Lodge directly across
31 from the Watergate Hotel in order to purchase an ice cream
32 cone for his son. Seated at a stool in the restaurant was
33 McCORD, who immediately approached GEORGE and engaged him in
34 a brief conversation. GEORGE could not state McCORD was in
35 the company of any of the individuals who were arrested in
36 the Watergate. McCORD was observed leaving the Motor Lodge
37 but did not cross the street to the Watergate, but presumably

PAUL E. ERTZINGER, Chairman of the Washington Chapter of the Ex-FBI Agents Society, was interviewed at his residence, 4422 Ellicott Street, N.W., telephone EM3-9203.

ERTZINGER advised that he was contacted by JAMES W. MC CORD sometime during the first ten days in May, 1972. MC CORD asked ERTZINGER to furnish several names of ex-FBI Agents who might be interested in doing security type work for the Committee for the Re-Election of the President. MC CORD told ERTZINGER that the job would require some traveling. ERTZINGER advised that MC CORD did not actually ask him if he wanted the job and MC CORD seemed to know that ERTZINGER would not be interested in a job that involved traveling. ERTZINGER stated that he was looking for employment, but did not want to travel. MC CORD indicated that the job would probably last until November, 1972. Salary was not discussed, however, ERTZINGER later learned that the salary would be \$105 per day. He also heard later that the job would be bodyguard for MARTHA MITCHELL. ERTZINGER told MC CORD that he would try to think of several people for the job. The conversation was terminated and ERTZINGER has not heard from MC CORD since then. ERTZINGER stated that he did not know MC CORD and this was his only contact with MC CORD.

ERTZINGER then contacted ORRIN BARTLETT, an ex-FBI Agent who now works for Page Communications in Vienna, Virginia. ERTZINGER knew BARTLETT was interested in employment and he gave BARTLETT MC CORD's name and telephone number. BARTLETT later called ERTZINGER and told him that he had met with MC CORD personally and recommended a couple of other men for the position offered by MC CORD.

ERTZINGER later learned that WARREN (BUD) LOVE, Vice President of First National Bank, 1701 Pennsylvania Avenue, N.W., Washington, D. C., knew MC CORD and had given
